"I feel quite passionate that anything that encourages people in music, just to see people with enthusiasm having fun even though they're all different abilities... rise to the occasion, it's fantastic!" Roger Daltrey - The Who

Participants in the four-day Fantasy Camp will be placed in a band with Rock Stars including Simon Kirke of Bad Company, Rick Derringer of The McCoys, David Hull of Aerosmith, Joe Vitale of CSN, Joe Walsh, Johnny A, and blues genius Gary Hoey.

"The Foxwoods team is extremely excited to be hosting our first-ever Rock 'n' Roll Fantasy Camp. This event truly provides a once-in-a-lifetime experience for the guests who participate in the program. Having the iconic Roger Daltrey of The Who makes the event that much more special. This event clearly represents Foxwoods' commitment to providing world-class entertainment options to our guests." Scott Butera, Foxwoods President and CEO.

Participants will write and record an original song, attend master classes, join themed jam sessions, and interact in daily Q&As with rockers. There will be two public performances on Saturday, October 18 and culminating on Sunday night, October 19 with a performance at the Fox Theater at Foxwoods. Final night performance is open to the public, friends, and family.

Set to take place throughout Fantasy Camp featuring Roger Daltrey are two alternate options including Songwriting Fantasy Camp and Vocalist Fantasy Camp. The Vocalist Fantasy Camp is geared towards those looking to expand their knowledge on auditioning for talent TV shows, performing live, or getting key points on improving vocal skills. Special guest, Oscar Winner and star of Twenty Feet From Stardom, Darlene Love, is set to appear to interact with attendees. Participants will be led by a Rock Star to cover all aspects of singing including pitch and melody, breath control, tone, and expression. In the Songwriting Camp, participants can interact with all our special guest stars and rock star counselors in a program focused on teaching you the songwriting aspect of the music industry led by Joe Vitale (Joe Walsh, CSN).

ABOUT ROCK 'N' ROLL FANTASY CAMP

For our campers, this is a life changing experience. Some of the campers play well and even gave up careers as musicians to become CEOs and lawyers. Some campers can't play at all. What they all have in common is passion for rock music. At Rock 'n' Roll Fantasy Camp they all get to pursue their passion – and meet, and play with the artists who became the soundtrack of their lives. It has been a fantastic experience for all of us who have been able to witness it for the past sixteen years.

David Fishof is the founder and creator of the famed Rock 'n' Roll Fantasy Camp where rock dreams become reality. The idea came to him after years of producing rock tours throughout the world. He's been honored to work with veteran rockers, Roger Daltrey, Levon Helm, Joe Walsh, Roger Hodgson, Todd Rundgren, Jack Bruce, Dr. John, Randy Bachman, and so many more. He feels fortunate to have seen their talent first hand. David's desire to share this experience with you, gave him the inspiration to produce the one-of-a-kind, Rock 'n' Roll Fantasy Camp.

Past rock star camp headliners have included Jeff Beck, Brian Wilson (Beach Boys), Roger Daltrey (The Who), Def Leppard, Alice Cooper, Sammy Hagar, Gene Simmons (KISS), Warren Haynes (Allman Brothers, Gov't Mule), Dave Davies (The Kinks), Bill Wyman (The Rolling Stones), Slash, Bret Michaels (Poison), Cheap Trick, Dr. John, George Thorogood, Jack Bruce (Cream), Joe Satriani, Joe Walsh, Meatloaf, Vince Neil (Mötley Crüe), Duff McKagan, (Guns N' Roses, Velvet Revolver), Michael Anthony (Van Halen), among others.
